

Hull / deck:

The hull is made of various thicknesses of aluminum (make: 5083-H111), starting from 4 mm and ending with 6 mm. The ship is coated with NANO coating (color: transparent) which increases the corrosion resistance of the ship. The deck floor is lined with aluminum panels. The bottom of the boat is painted with Intergard 263 paint: Interspeed BtilD 992 Black.

Self-draining deck. 2 leather chairs for driver and passenger.

Wheelhouse:

The instrument panel and console panel are made of aluminum. Stainless steel steering wheel coated with PU material (color: black)

Arrangement and seating positions:

Walk-Through deck, U-shaped sofa inside the cabin. Open deck at the front with an enlarged storage box under the deck where the winch and battery are installed.

Electronics:

Two batteries with automatic fuses 12V are installed in the boat cabin, on the main control panel. The main fuse panel with automatic fuses is installed in the cabin. LED spotlights mounted on the roof 4pcs., two LED lights are installed inside the cabin / toilet. Navigation mast with navigation lights and radar location. Two windscreen wipers, two electronic bilge pumps, audible alarm. Stationary toilet with door, 2 propane burners with sink inside the cabin.

Other:

Two aluminum fuel tanks 2x240l, 2kg fire extinguishers, refrigerator, integrated mirror, flagpole, zinc anodes. For safety reasons, 4 non-diluting ballast tanks have been integrated.

Standard equipment:

Nr.	Code	Description	Measure	Quantity
1	SRV99-0001	1 single prop – 40KGF – 12V – Ø 140 mm – 2.2kW	unit	1
3	SRV99-0001	Control cable extension for TCD controllers – 6 m	unit	1
4	SRV99-0001	Fuse 225A CNL DIN	unit	1
5	SRV99-0001	Fuse-holder – 300A	unit	1
6	SRV99-0001	TSC control panel for electronic main switch	unit	1
7	SRV99-0001	T6415-12 CONT UNITS 150A 12V IP66 B	unit	1
8	SRV99-0001	Magnetic fuse 100 A 10100	unit	1
9	SRV99-0001	WCS 810 WINDLASS CONTROL BOARD	unit	1
10	SRV99-0001	Anchor-rode – 08 mm-12,7 mm - 3L – 10/61 mt	unit	1
11	SRV99-0001	ANCHOR CLAW-SHAPED 10KG COMPL	unit	1
12	SRV99-0001	BOW ROLLER L600 MOD.2 INOX	unit	1
13	SRV99-0001	Webasto Air Top EVO 40 with Multi Control management	unit	1
